DONNA EDWARDS

Vote on
February 12

for U.S. Congress, Maryland District 4

"I want to represent Maryland's 4th Congressional District because we are facing some of the most compelling environmental and conservation challenges of our generation. We have an opportunity to meet these challenges with political, legislative, and advocacy leadership, but it must happen now. As your member of Congress, I will make it happen."

DONNA EDWARDS *has the experience*

- ✓ **Led the campaign to reinvest in Oxon Hill** and worked with community to make sure that environmental concerns were heard by decision-makers.
- ✓ **A proven champion of rail over the Wilson Bridge** as a key component of developing regional transit alternatives and won developer support for this.
- ✓ **Co-founded and served as the first executive director** of the National Network to End Domestic Violence.

DONNA EDWARDS *has the solutions*

- ✓ **Move America away from dependence on fossil fuels** to reduce effects of climate change and improve air quality.
- ✓ **Restore and protect America's waterways** and improve funding for drinking water infrastructure.
- ✓ **Establish a Renewable Electricity Standard** and create new 'green-collar' jobs.
- ✓ **Improve energy efficiency standards** to save energy and save consumers money.
- ✓ **Increase fuel efficiency standards** to make new cars go further on a gallon of gas.
