

Autumn Toast to a Healthy Environment

Charity Auction Donation Request

As a local non-profit organization, Clean Water Fund is reaching out to area businesses to invite your participation in a very special event. Each year we hold an ***Autumn Toast to a Healthy Environment***, a charity auction which features wine, beer & chocolate tastings, savory hors d'oeuvres, and live jazz music. This year, our 9th annual event will be held Sunday, October 7, 2018 on the beautiful outdoor patio at the Pine Barrens Golf Club in Jackson, NJ.

The event supports Clean Water Action's efforts to keep our lakes, rivers, streams, and ocean free of pollution and local programs to advance a healthy environment, clean air, renewable energy and green jobs. Among our recent national landmark victories is the preservation of the waters of the US, including drinking water that affected 1 in 3 Americans. For more information about this and other efforts, visit: www.cleanwateraction.org/nj.

Join other local businesses by participating in this charity auction for Clean Water! In turn, we will promote your business to our 150,000 NJ members in all of our promotions leading up to the event. Here's how you can help:
