Address: 1295 Inman Avenue, Edison, NJ 08820 (near NJ transit Metropark Station)

WORKSHOPS

There will be two sets of workshops. Every workshop is only offered once. Learn new skills that will help you or your organization be more effective. Gain a better understanding of the issues that impact our health and the environment. Discuss actions that can be taken at the individual, community and government levels.

Workshop Session I: 10:30 - Noon

ELECTRIFY NEW JERSEY

Learn what Jersey City is doing to bring Electric Vehicles (ev) to cities and how New Jersey can best create the infrastructure needed for EV's future success.

Moderator: **Wyatt Earp**, International Representative/Green Jobs Liaison, IBEW
Presenters: **Pam Frank**, VP, Gabel Associates and CEO of ChrgEVC
Katherine Lawrence, Director, Office of Sustainability, Jersey City

KEEP WATER & HEALTH IN OUR INFRASTRUCTURE PLAN

Learn how to improve New Jersey's infrastructure despite Washington's attempts to destroy hard won water and environmental safeguards. Find out how to make New Jersey's water and sewer systems more climate resilient.

Moderator: **Michele Donato**, Esq., Land Use Attorney
Board Member, Clean Water Action
Presenters: **Joseph Maraziti**, Esq., Land Use & Redevelopment Attorney,
Maraziti, Falcon & Healey
Aaron Kleinbaum, Esq., Environmental Attorney
Executive Director, Eastern Environmental Law Center

KEEPING THE POISONS AWAY

What you don't know about household and personal care products can actually hurt you. Hear from experts about options for cleaner, safer and healthier living that protect the environment too.

Moderator: **Maria Ackerman**, Donor & Events Associate, Clean Water Action
Presenters: **Dr. Gail Zimmerman**, Internist and Natural Doctor, Bay Head, NJ
Willie deCamp, Chairman and Past Director, Save Barnegat Bay
Janet Tauro, NJ Board Chair, Clean Water Action, GRAMMES
(Grandmothers, Mothers & More for Energy Safety)

RETHINK DISPOSABLE: LESS WASTE TO TRASH

Learn how to stop managing waste (recycling, burning and landfilling) and start producing less. Find out how food service businesses are embracing our ReThink Disposable program to reduce single-use products and save money too.

Mod./Speaker: **Maura Toomey**, ReThink Disposable Coord., Clean Water Action
Presenters: **Ana Baptista**, Assistant Professor in the Environmental Policy and Sustainability Management Program and Associate Director for the Tishman Environment and Design Center (TEDC), The New School
Nataki Williams, Business Owner & Finance Controller, Vital Dining

Workshop Session II: 1:15 - 2:45 pm

PUMP UP THE VOLUME: MEDIA TRAINING COURSE

Learn the latest tools to help you be successful in today's media... how to write newsworthy content, reach your targeted audiences, and amplify your message and campaigns on social media; including live-streaming video, live tweeting, and developing materials for allies and partners.

Moderator: **Jenny Vickers Chyb**, NJ Communications Mgr., Clean Water Action
Presenters: **Randy Bergmann**, Editorial Page Editor, Asbury Park Press
Neil Bhaerman, Nat'l. Communications Manager, Clean Water Action

CLIMATE & ENERGY: HOW TO MOVE FORWARD, NOT BACKWARDS

Learn how Clean Water Action and its partners are taking it upon themselves to do the work the Trump Administration won't when it comes to fighting for 100% renewable energy by 2050 and green jobs.

Moderator: **Alyssa Bradley**, Energy Organizer, Clean Water Action
Presenters: **Tracy Carluccio**, Deputy Director, Delaware RiverKeeper Network
Jeff Tittel, Director, Sierra Club, NJ Chapter
Dr. Nicky Sheats, Director, Center for the Urban Environment,
John S. Watson Inst. of Public Policy, Thomas Edison State University
Member, New Jersey Environmental Justice Alliance

ENVIRONMENTAL JUSTICE IN ACTION

Engaging communities and leaders in making a difference locally and statewide where pollution and its adverse impacts are disproportionately greater.

Mod./Speaker: **Jeanette Mitchell**, Climate Organizer, Clean Water Action
Presenters: **Wynnie-Fred Victor Hinds**, Board Member, Clean Water Action
Vice Chair, Newark Environmental Commission
Executive Director, Stepping Stones Resources
Nicole Miller, Mbr., Newark Environmental Commission, GI Reformer

SAFE DRINKING WATER DISRUPTORS

Learn about growing concerns regarding unregulated contaminants, endocrine disruptors, and lead in our drinking water, as well as policy options at the local, state and national levels.

Moderator: **Tom Fote**, Board Member, Clean Water Action
Legislative Director, Jersey Coast Anglers Association
Presenters: **Lynn Thorp**, National Campaigns Director, Clean Water Action
Michael Gochfeld, MD, Occupational Medicine, Piscataway, NJ
Dr. Joanna Burger, Distinguished Professor, Biology, Rutgers Univ.
