

Clean Water Fund  
in cooperation with the Philadelphia Water Department  
invites you to attend the

## Green Blocks Sustainability Fair

Saturday, June 1, 2019

10 a.m. to 2 p.m.

Kemble Park

Ogontz and West Chew Avenues

Targeting **renters, home owners, block captains and other neighborhood leaders**, this event will offer “tools” for activities and projects to implement sustainability for healthier homes, clean and greener communities. The event will bring together public and private sector exhibitors in one place, for one day offering information, demonstrations, hands-on workshops and job opportunities.

### AWARDS
