Maryland lost a giant when Representative Elijah E. Cummings passed away in 2019. But Maryland is in good hands with leaders like Senators **Chris Van Hollen** and **Ben Cardin** and Representative **John Sarbanes**.

- Senators **Van Hollen** and **Cardin** are long-time clean water champions, and have worked with advocates to slow Trump's Dirty Water Agenda.

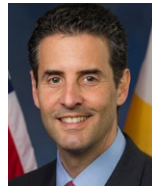

Sen. Van Hollen

Sen. Cardin

- Representative Sarbanes** introduced H.R. 1, the For the People Act, to begin to repair our democracy, ensure voting is accessible to all, end partisan gerrymandering and more.
